

# Film Supplier Workshops

Understanding how our machine works with your film will help you provide the best customer service. Let HayssenSandiacre's professional Trainers show you:

- Program setup
- Operator troubleshooting
- How to identify customer setup problems.

**Pick the 2008 workshop date that fits your schedule:**

**June 3 - 4**

**September 9 - 10**

**December 2 - 3**

For details, call Becky at (864) 486-4111,  
Ext. 8138 or email us at  
[training@hayssensandiacre.com](mailto:training@hayssensandiacre.com)

**Stay an extra day and run film samples at  
no additional charge!**
